

Fully qualified and insured equine massage therapist covering the Surrey and surrounding area. Very sympathetic to your horse's needs with ongoing support and advice, working as a team with the owner and other professionals to help your equine be in balance.

How can I help?

I can provide your horse with the following therapies

Pre and post competition massage

Remedial massage

Equine manual lymphatic drainage

Phototherapy for equines

Myofascial release

I will leave you with a detailed report of your session and any in-hand and ridden exercises to help your horse.

I have also undertaken the following CPD to expand my knowledge:

Equine first aid

Bit and bridle assessment

Equine conformation and biomechanics
